The screenshot shows a web browser window with the URL [mathigon.org/course/graph-theory/map-colouring](https://mathigon.org/course/graph-theory/map-colouring). The page features a sidebar on the left with the title "Graphs and Networks" and a list of topics: Introduction, The Bridges of Königsberg, Handshakes and Dating, Planar Graphs, Map Colouring (highlighted), The Travelling Salesman Problem, and Scheduling Problems. The main content area displays a map of the United States colored with 4 colors: blue, orange, pink, and teal. Above the map, there are seven colored circles and a list of regions with checkmarks: United States, South America, Germany, and England. The text "4 colours used" is displayed above the map. A "Clear" button is located at the bottom left of the map area. The Windows taskbar at the bottom shows the time 12:56 on 05/04/2021 and various system icons.
